The Illinois-Uniform Crime Reporting (I-UCR) Program will be offering NIBRS training for agencies submitting data to the State NIBRS repository. The training will be an overview of specific errors and warnings that most frequently occur for NIBRS data submitted in 2023 and 2024. The training will show actual incidents which produce these errors and warnings and provide a brief tutorial on why these occur and what data must be submitted to eliminate these issues. The free training will be offered via WebEx and will be approximately 60-90 minutes.
