NIBRS Navigation and New Users Training

The Illinois-Uniform Crime Reporting (I-UCR) Program will be offering a New Users & NIBRS Navigation Training for agencies submitting data to the State NIBRS repository. This training will be tailored to agencies who have not established a user account or have recently been certified for NIBRS reporting. The training will be a high-level overview of Acronyms, submissions methods, getting set up in the Illinois NIBRS Repository (INR), and how to become certified. We will also provide a brief tutorial on navigating the NIBRS website, including searching the Data Center for submitted reports, working items for unfinished reports, along with reviewing the Errors and Warnings report. The training will be offered via WebEx. The training will be approximately 60-90 minutes.
