FBI's Use of Force Webinar

The Federal Bureau of Investigation (FBI) Uniform Crime Reporting (UCR) Training Instructors are pleased to announce a virtual training of the **National Use-of-Force Data Collection** on **Tuesday, January 28, 2025, from 1:00 p.m. to 2:00 p.m. Central Time.**

This will be a free virtual course on the Microsoft Teams platform and will be available to law enforcement personnel representing federal, tribal, state, county, city, university, and college agencies. Training will include a brief history and overview of the data collection and a live demonstration of the submission portal.

Registration is OPEN NOW and will close at 10:45 p.m. on January 20 or when the class reaches 275 participants.

We recommend that agencies share a single login/computer, when possible, to allow for more registrants. If sharing a single login, only one person from a group will need to register and serve as the primary registrant. There is no FBI limit to the number of participants who may view the training from a shared login. For example, multiple participants may view the training in a conference room on a shared screen and would only need to register one person. All participants who attend this training will receive a certificate of completion.
