FIREARM DISPOSITION RECORD

The Firearm Owners Identification Card Act (430 ILCS 65/8.3 and 9.5) and the Illinois Administrative Code Title 20, Section 1230.50(a) requires that, upon suspension or revocation of a Firearm Owner's Identification Card (FOID), the cardholder must surrender their card and complete a FOID Card & Firearm Disposition Record (FDR). The details associated with surrendering the card depend upon whether it is suspended or revoked and will be outlined in the letter to the cardholder.

Please note that many important changes have been made to the FDR and the Illinois State Police Firearms Services Bureau continues to receive completed versions that are up to *ten* years old. The most up-to-date version (dated 4/23 in the lower-right-hand corner) can be found here: 2-636 ISP Firearm Disposition Record.pdf (illinois.gov)

Also, as further updates to the FDR are issued, they will be found at this same link. Therefore, accessing the form at the link is preferable to downloading it and storing it locally.
