

## Public Notice of Title VI Program Rights

The Illinois State Police (ISP) complies with state and federal civil rights law and is committed to assuring full compliance with the non-discrimination requirements of Title VI of the Civil Rights Act of 1964 and related nondiscrimination authorities. Title VI and related nondiscrimination authorities stipulate that no person in the United States of America shall on the grounds of race, color, national origin, sex, age, or disability, be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving federal financial assistance.

Any person who desires more information regarding the ISP Federal Motor Carrier Safety Administration (FMCSA) Title VI Program can contact its Title VI Program Coordinator Master Sergeant Todd Armstrong.

Any person who believes they have, individually or as a member of any specific class of persons, been subjected to discrimination on the basis of race, color, national origin, sex, age, or disability, has the right to file a formal complaint.

Individuals who believe they have been subjected to discrimination under any ISP-administered program or activity may file a complaint with the Illinois Criminal Justice Information Authority (ICJIA), the Illinois Department of Civil Rights, the U.S. Department of Justice, or any other appropriate agency.

Any complaint regarding ICJIA may be filed at:
