NIBRS Training at ISP Academy in Springfield, IL

Due to the increased demand for NIBRS training and limited capacity for online registration (the virtual class reaches max capacity very quickly), the Illinois-Uniform Crime Reporting (I-UCR) program is excited to offer an opportunity for agencies to attend the FBI Virtual Training, July 9-11th 11am-4pm, on-sight at the Illinois State Police Academy, located at 3700 E Lake Shore Dr, Springfield, IL 62712 in Auditorium A. Instruction will be a total of 12 hours over a three-day span with an hour lunch each day. Participants must attend all three days of training in Springfield to receive a completion certificate.

*** Additionally, we are happy to announce that the FBI NIBRS training being held at the Illinois State Police Academy in Springfield has been certified by ILETSB to count towards a sworn officer's annual continuing education coursework. This does not apply to previously attended classes and is only applicable if the officer attends the in-person NIBRS training at ISP and completes at least 90% of the total course hours.***
