## Nlets Resources Webinar

</div>

Are you familiar with the many resources Nlets makes available to law enforcement and criminal justice agencies? On August 23, 2023 a webinar will be offered in conjunction with NLETS and ISP LEADS Administration.  This webinar will provide a brief overview of the differences between Nlets and NCIC, various data resources available in Nlets to include the Nlets website Message Key Maps, the Nlets Wiki, the new Mobile Device Query, International Records, and information about the Random Access to Nlets Data (RAND) offline search, and much more. Additionally, the importance of sharing the data resources Nlets provides with sworn personnel will be discussed.

The NLETS Resources Webinar will only be offered on **August 23, 2023, at 9:00a.m.** (CST). No other sessions will be offered at this time.

Please follow the link below to register for this webinar.  Registration is required. Attendance is limited to Law Enforcement and Criminal Justice Agencies, and their employees.
