LEADS 3.0 Training Videos

On behalf of the Illinois State Police LEADS Administration, we are pleased to provide agencies the following training. This LEADS 3.0 training is designed for current LEADS2000 agencies, their LAC(s), Delegates and LEADS Users. LACs, you are responsible to provide this training at the agency level for the LEADS Users at your agency. The presentations in the sequence should be followed by users, as the training sessions do build on one another. The sessions have been separated so users can view at their own pace and use as a resource for future assistance.

As a reminder, the YouTube videos on the CPI YouTube channel should be watched prior to viewing the LEADS 3.0 training.
