License Privilege Invalidated (10-27 SOS Response)

Drivers under the age of 18 and who have been convicted of certain offenses within a given time period are required to receive remedial education. If they fail to do so, a discretionary suspension is issued which is reflected in the LICENSE/PRIVILEGE INVALIDATED status. The date when the invalidation was made effective will be found on the same line of the driver's license (10-27) response, where suspension/revocation dates would be located. This is prefaced with the letters 'INVL' .
