## HOT FILE RESPONSES FOR US PROBATION

As a reminder, ALL LEADS users are responsible to read the HOT FILE responses they receive. The US Probation office uses the MKE/PROBATION OR SUPERVISED RELEASE STATUS on HOT FILE responses to alert personnel a subject is being monitored by the US Probation. LEADS users are responsible to contact the agency of record listed in the HOT FILE response. NOTE – The contact information with phone numbers and emails are provided in the responses.

If you have any questions or need help, please contact the ISP Help Desk <u>ISP.HelpDesk@illinois.gov</u> or at 866/LEADS-00 (866/532-3700).

| Operator's<br>Initials | Date |
|------------------------|------|------------------------|------|------------------------|------|------------------------|------|------------------------|------|
|                        |      |                        |      |                        |      |                        |      |                        |      |
|                        |      |                        |      |                        |      |                        |      |                        |      |
|                        |      |                        |      |                        |      |                        |      |                        |      |
|                        |      |                        |      |                        |      |                        |      |                        |      |
|                        |      |                        |      |                        |      |                        |      |                        |      |
|                        |      |                        |      |                        |      |                        |      |                        |      |
