Multiple Warrants for an Individual

LEADS and NCIC programming will not allow a second wanted person entry to be made on an individual by the same agency. If you have more than one warrant for the same person, enter the one with the most serious offense and/or wider extradition/transportation limits. This could possibly necessitate voiding a previous record if a warrant with a more serious charge is later issued. The lesser offense(s) should be listed in the MIS field *NOT* in a LEADS Add-on.

If you have any questions or need assistance, please contact the ISP Help Desk at ISP.HelpDesk@illinois.gov or at 866/LEADS-00 (866/532-3700).
