Law Enforcement Suicide Data Collection Training

The Federal Bureau of Investigation (FBI) Uniform Crime Reporting (UCR) Training Instructors are pleased to announce a virtual training of the Law Enforcement Suicide Data Collection (LESDC) on Thursday, January 30, 2025, from 1:00 p.m. to 2:00 p.m. Central Time.

This is a free virtual course on the Microsoft Teams platform and will be available to **law enforcement, telecommunications, the legal system, and corrections**. This 1-hour webinar will include a brief history of the data collection, how to obtain the necessary accounts to report, and a demonstration of the LESDC portal.

*Media is not permitted to participate in the training.

Registration is OPEN NOW and will close at 10:45 p.m. on January 22 or when the class reaches 275 participants.

We recommend agencies share a single login/computer, when possible, to allow for more registrants. If sharing a single login, only one person from a group will need to register and serve as the primary registrant. There is no FBI limit to the number of participants who may view the training from a shared login. For example, multiple participants may view the training in a conference room on a shared screen and would only need to register one person. All participants who attend this training will receive a certificate of completion.
