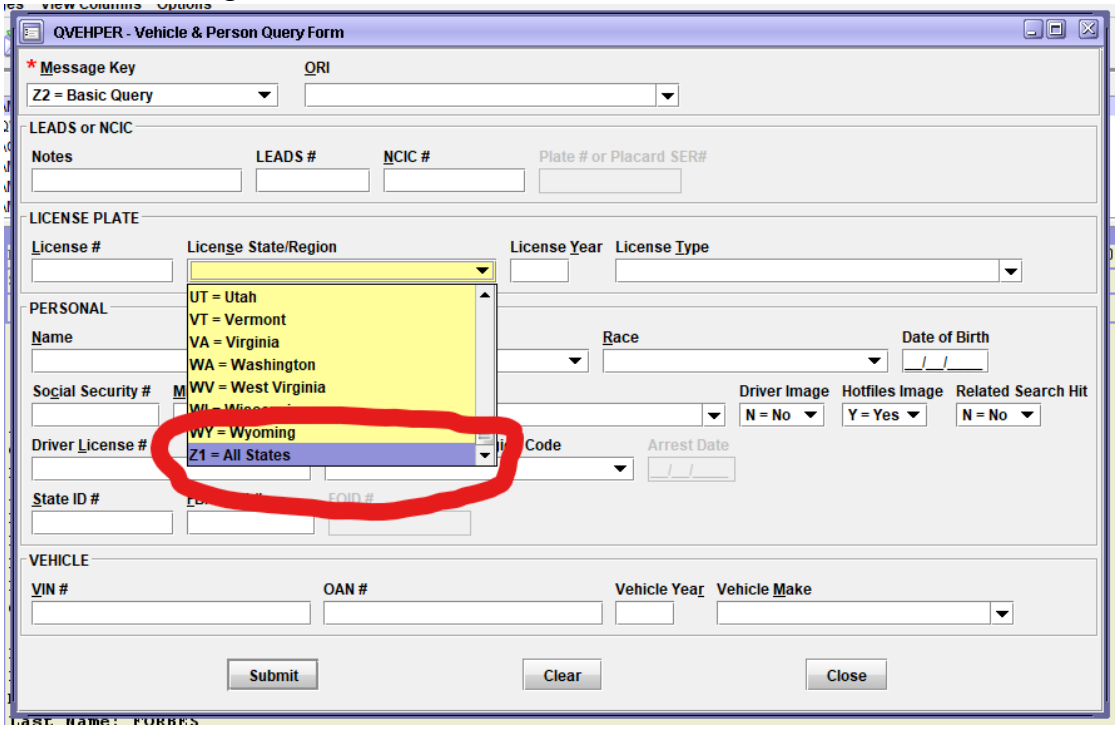
USER REQUESTS PROCESS and FORMS

LEADS users can run a query with **Z1** through the QVEHPER form to all states and have the records return individually per state, instead of being held and sent back all together with "NL". **Z1** is located in the drop-down menu under License State/Region in the QVEHPER form.



If you have any questions or need help, please contact the ISP Help Desk ISP.HelpDesk@illinois.gov or at 866/LEADS-00 (866/532-3700).
