Making a CHRI Inquiry for Sex Offender Registration

When a sex offender comes in for registration, agencies should be making a criminal history inquiry and using the information on the CHRI response to "pack" the LEADS entry with all available information (alias names and DOBs, reasons for caution, SOC, SID, FBI/UCN, etc.). There are many SOR records that are missing available information.

For assistance please contact the Help Desk at 866/LEADS-00.
