Annual Sex Offender and Violent Offender Against Youth Address Verification

Illinois law (730 ILCS 150/8-5 and 730 ILCS 154/50) requires that agencies verify at least once per calendar year the addresses of sex offender registrants and violent offender against youth registrants registered with their department. Details of the verification must be attached to the entry via a LEADS Add-on.

For further information, please see the Sex Offender Registration Update and Violent Offender Against Youth Registration help files, which are available via LEADS 2000 > Help.

This information pertains to all users that access LEADS/NCIC. Therefore, please ensure if your agency provides service to other criminal justice agencies, this information is provided to them.

For assistance please contact the Help Desk at 866/LEADS-00.
