Sex Offender Address Verification

Illinois law (730 ILCS 150/8-5) requires agencies verify the addresses of sex offenders registered with their department at least once per calendar year. Details of the verification must be attached to the entry via a LEADS Add-on. See the Sex Offender Registration Update Help File on the LEADS 2000 Informational website for further details.

Please contact the LEADS Help Desk at 1-866-LEADS00 (866-532-3700) if you have questions regarding this process.
