Updated NIBRS Codes Table

The Illinois Uniform Crime Reporting (I-UCR) Program is committed to maintaining an accurate list of Illinois Statutes that are reportable within the National Incident-Based Reporting System (NIBRS). Due to recent statute changes and additions and minor #errors discovered in the current codes table, the I-UCR determined there was a need for changes to the codes table. On February 6, 2023, the I-UCR will publish a new codes table. This will be available in the Information Exchange Package Documentation (IEPD) located at https://isp.illinois.gov/CrimeReporting/NIBRS.

The new code table will be going live on February 17th, 2023
