Reporting Arrests Within NIBRS Training

The Illinois-Uniform Crime Reporting (I-UCR) Program will be offering NIBRS training for agencies submitting data to the State NIBRS repository. The training will be an overview of NIBRS Arrest Reporting. This includes the Arrest Segment within a Group A incident report as well as a Group B Arrest Report. The training will provide instructions on clearing incidents in NIBRS and will include examples of clearance by arrest and/or exceptional means. We will cover scenarios involving clearance by exceptional means as well as the three types of arrests:

O = On-View Arrest (apprehension without a warrant or previous incident report): i.e., placed in handcuffs and taken to jail.

S = Summoned/Cited (not taken into custody): i.e., citation, court summons served (not arrested AKA not taken into custody)

T = Taken into Custody: i.e., arrested on a warrant.

The free training will be offered via WebEx and will be approximately 60-90 minutes.
