LAW ENFORCEMENT PORTAL – CLEAR AND PRESENT DANGER NOTICE

Beginning March 1, 2023, all requests for Clear and Present Danger will only be accepted via the Law Enforcement Portal. Paper forms and faxes WILL NO LONGER BE ACCEPTED!

REMINDER: The Illinois State Police is *only* accepting Clear and Present Danger submissions in the Law Enforcement Portal. Once the Illinois State Police has affirmed a Clear and Present Danger Submission, it is the responsibility of the submitting agency to enter pertinent information into LEADS as a Field Notification (EFNP), using the FNP Category Code, CNP (FOID CLEAR & PRESENT DANGER).

If your agency has not registered for the Law Enforcement Portal, please have an administrator register your agency by contacting the ISP at the following email address: isp.ccw.illinois@illinois.gov. The registration form will be provided upon request and must be notarized and submitted to the ISP.

Prior to submitting a Request for Clear and Present Danger please have ALL LE PORTAL USERS review the document under the “Firearms Intelligence Resources” tab on the portal homepage. It will be revised as updates are made to the portal, please review it regularly if you have additional questions.

The Law Enforcement Portal can be found here: <https://www.cclisp.com/Public/Home.aspx>

Please contact the Office of Firearms Safety at ISP.OfficeofFirearmsSafety@illinois.gov with any follow up questions or concerns.
