

# VALIDATIONS

- VALIDATIONS WILL NO LONGER BE MAILED TO AGENCIES
- LAC AND DELEGATE WILL HAVE ACCESS TO VALIDATIONS
- NOTHING CHANGES EXCEPT THE PROCESS OF HOW THE VALIDATIONS ARE RECEIVED AND THE FORMAT FOR VALIDATING
- ALL AGENCIES **MUST** HAVE AT LEAST ONE MESSENGER STATION TO PERFORM VALIDATIONS

**The validation schedule will now follow the NCIC schedule.**

**Example: October entries will be validated in January; November entries will be validated in February**

**Due to the new validation schedule, once 3.0 goes live, agencies will not have to validate records for one month!**

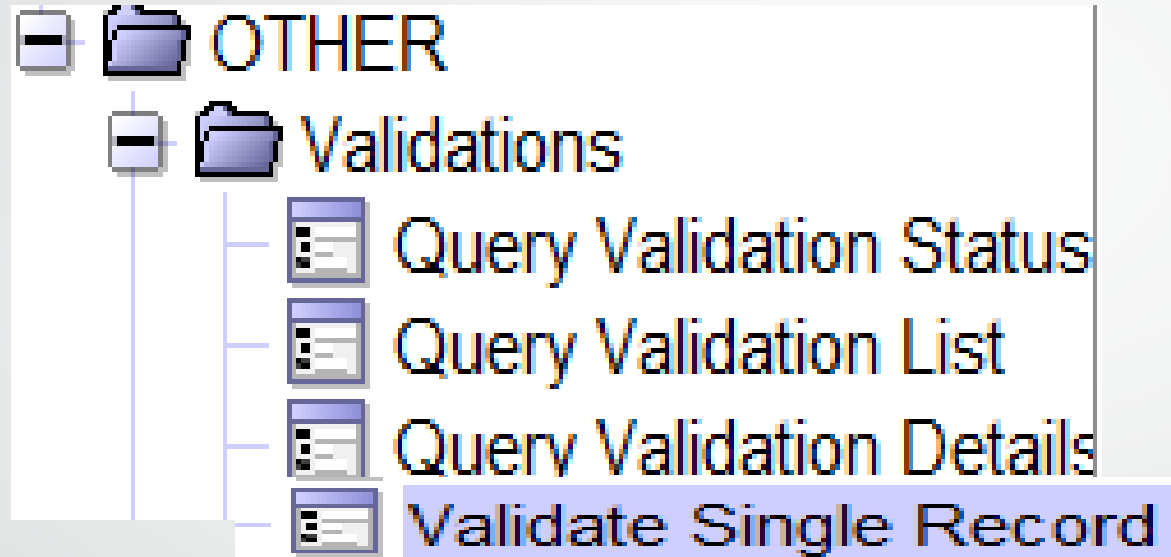

### **Validation Schedule**

1. On a monthly basis, the NCIC System extracts active records on file for validation purposes. The validation includes a portion of each file and includes those records 60-90 days old. In addition, it includes any records 14-15 months old, 26-27 months old, 38-39 months old, etc. The validation schedule is as follows:

#### **Validation: Entries Made on:**

January.....	October
February.....	November
March.....	December
April.....	January
May.....	February
June.....	March
July.....	April
August.....	May
September.....	June
October.....	July
November.....	August
December.....	September
