Uniform Crime Reporting Annual Law Enforcement Employee Collection

Agencies must report the number of employees within their agency to the Illinois Uniform Crime Reporting Program. For this reason, the entry screen for the annual collection of law enforcement employee information will re-open on **Thursday, December 19, 2019**. Data will only be collected using the online electronic reporting tool (https://iclear.isp.state.il.us/analytics/saw.dll?Dashboard). The tab labeled Police Employee will be available in the reporting tool until close of business on **Friday, January 3, 2020**.

Data submitted by the revised deadline will be included in *Crime in Illinois 2019*, and forwarded to the FBI for inclusion in *Crime in the United States 2019*.

If you have any questions, please send them to ISP.IUCR.Program@Illinois.gov
