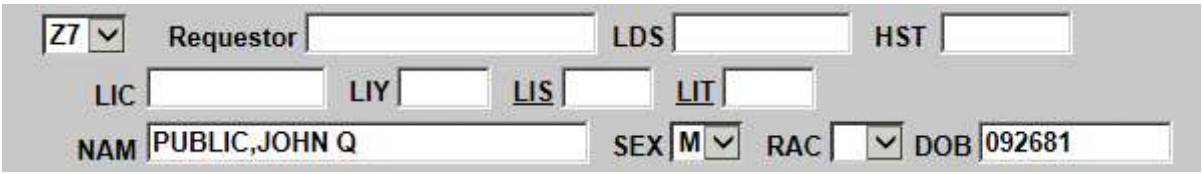
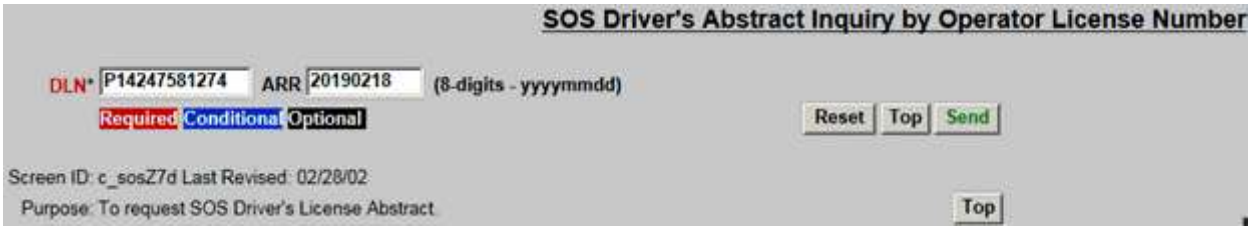
SOS Z7 Drivers Abstract Response Interpretation

A short driver's abstract may be obtained from SOS via LEADS by inquiring on the DLN or Name, Sex, and DOB using the Z7 message key on the LEADS 2000 Traffic Stop or Universal Inquiry formats or by using the Driver's Abstract inquiry format (LEADS 2000 > Inquiry > SOS > Driver's Abstract).





The SOS Driver's Abstract Response Interpretation help file has been created to assist with interpreting the response and may be found at LEADS 2000 > Help.

If a certified abstract is required, a directed message may be sent to SOS (LEADS 2000 > Admin Messages > SOS).

Please contact the Help Desk (866/LEADS-00) with questions about the LEADS inquiry.
Please contact the SOS Police Inquiry Unit (217/785-0309) with questions about the response.
