LEGACY SOS IMAGE ACCESS TO BE DISCONTINUED JUNE 1, 2023

Due to the aging, unsupported technology currently used to provide access to Secretary of State (SOS) driver images, security risks can no longer be mitigated to an acceptable level. Because of this, SOS driver images will no longer be available via the legacy LEADS 2000 site **effective June 1, 2023**.

SOS driver images can be accessed via LEADS 3.0 by using the Messenger software client or by using FoxTalk interface connections.

If you have any other questions or issues, please contact the ISP Help Desk by either emailing your questions to ISP.HelpDesk@illinois.gov or by calling 866/LEADS-00.
