SOS Soundex Inquiry

Using the SOS Soundex Inquiry format, users can obtain an individual's driver's license and license plate numbers. This applies only to drivers and vehicles registered through the Illinois Secretary of State; **the inquiry does not search LEADS nor NCIC Files.**

As a reminder - The Illinois Secretary of State has updated their response: Begin PNO/02312187 End PNO/02312188 will *no longer appear* on the Soundex Results. The response will look like the response below: **Use Page Forward/Back for Additional Records.**
