## NIBRS/UCR Compliancy Training

The Illinois-Uniform Crime Reporting (I-UCR) Program will be offering NIBRS training for agencies submitting data to the State NIBRS repository. This training will discuss UCR compliancy and how to ensure your agency has all required data submissions entered. We will provide a tutorial on navigating the NIBRS website, including searching the Agency Monthly Tracker & Data Center for submitted reports, working items for unfinished reports, along with reviewing the Errors and Warnings report. We will also discuss how to submit the mandated annual law enforcement employee counts for your agency. The free training will be offered via WebEx and will be approximately 60 minutes.
