Statewide Terrorism Intelligence Center

The Statewide Terrorism & Intelligence Center (STIC) is a 24/7/365 all-crimes and all-hazards fusion center that provides services to state, local, federal law enforcement, and public safety partners, and is staffed by a team of analysts working on behalf of the more than 33,000 law enforcement officers serving Illinois. The Statewide Terrorism Intelligence Center (STIC) opened on May 14, 2003 and can be reached anytime by calling 877-ILL-STIC (877-455-7842).

STIC provides real-time support to police officers engaged in enforcement and investigative activities and is a "one stop" resource for police officers and public safety personnel to obtain information related to criminal activity and terrorism. Analysts perform a thorough search of all available databases and resources, thus reducing the need to make numerous contacts with various organizations. By contacting STIC, law enforcement personnel at the federal, state, and local levels are assured of a rapid, comprehensive search of all available databases and resources which may yield information about potential terrorist and criminal activities. STIC serves as a pointer system for terrorist based investigative referrals between agencies and promotes strong working relationships between local police officers and the FBI's joint terrorism task forces. STIC also acts as police liaison with the Illinois Emergency Management Agency for predictive consequence management resource allocation.

STIC is sponsored by the Illinois State Police, in conjunction with its partners in the criminal justice community.

This information pertains to all users that access LEADS/NCIC. Therefore, please ensure if your agency provides service to other criminal justice agencies (including Mobile Data Terminal only agencies), this information is provided to them.

If you have any questions or need help, please contact the ISP Help Desk ISP.HelpDesk@illinois.gov or at 866/LEADS-00 (866/532-3700).
