LEADS Credentials:

Passwords:

For all systems, you will NEVER be asked for your password via email or phone. Again, do NOT share your username and password with others.

The LEADS Agency Coordinator (LAC) is responsible for ensuring their users know and follow all LEADS rules and policies (LEADS Rules and Regulations, XI. Administrative Responsibilities).

All agencies must have a written policy in place for access, use and dissemination of LEADS data, to include policy and procedures for LEADS misuse/violation (LEADS Security Policy 4.2.2 Standards of Discipline).

Please contact the ISP Help Desk at isp.helpdesk@illinois.gov or 866/LEADS00 with assistance or questions.
