FBI UCR 2024 Deadlines/Data Release Timeline

The FBI has released their 2024 deadlines and release dates for UCR data, see the table below. Please see the deadline for all NIBRS reporting is 4/1/2024 if your agency wants data included in the FBI's annual publication "Crime in the United States". A full year's data must be submitted in order for an agency to be included in the FBI's publication.

There is no verification period as NIBRS data may be edited anytime. It is, however, important for your agency to compare internal data with what is being reported on Crime in Illinois Online.
