Updated NIBRS Code Table

Attached is a complete version of the NIBRS code table. Throughout the year the Illinois NIBRS Unit has made minor updates/changes, these updates should have been implemented in your RMS.

*****IMPORTANT***** Please keep IL statute: 625-5/4-103(a)(1) Possession of Stolen Vehicle mapped to IBR code 280=Stolen Property Offenses, NOT 240 as it shows in this version. We are having our vendor update this now, but we wanted to provide a single complete Code Table to all users as soon as possible as many users were working from various spreadsheets.

The new IEPD is being updated and will be posted on the ISP site (<https://isp.illinois.gov/CrimeReporting/NIBRS>) next week.

This information and the new IEPD has been forwarded to all current vendors. If you have any questions, please contact us at ISP.UCR.Access@Illinois.gov
