ILLINOIS STATE POLICE TASK FORCE RECOVERS MULTIPLE WEAPONS AND COCAINE DURING SEARCH WARRANT

AURORA – The Illinois State Police (ISP) Kendall County Police Assistance Team (KCPAT) arrested 25-year-old Xavier Galvan of Aurora for Unlawful Possession of a Controlled Substance with Intent to Deliver (Class X Felony) after an extensive narcotics investigation.

In November 2025, KCPAT agents began investigating an allegation of illegal narcotics sales in Aurora, IL. KCPAT agents identified Galvan as a suspect.

On January 5, 2026, KCPAT agents, with assistance from the DuPage County Metropolitan Enforcement Group (DUMEG), executed a search warrant at Galvan's residence in the 1100 block of Brockton Court. Officers recovered over 60 grams of cocaine, and multiple firearms, including two of which that were previously reported stolen. Galvan was taken into custody without incident. He is being held at the DuPage County Jail on the cocaine charge, and potential weapons charges are pending. There is no additional information at this time.

The charges are not evidence against the defendants, and the defendants are presumed innocent until proven guilty beyond a reasonable doubt in a court of law.
