Illinois State Police Announces Results of Alcohol Countermeasure Enforcement Surveillance Details

PONTIAC – Illinois State Police (ISP) Zone 5 Commander, Thomas Jennings, announces the results of Alcohol Countermeasure Enforcement (ACE) surveillance at various establishments in McLean County during November. These details were conducted to determine which businesses may be selling alcoholic beverages to minors (persons under 21 years of age). The ultimate goals are to enforce underage drinking laws and save lives by preventing impaired driving crashes and fatalities.

A total of 30 establishments were surveilled. The following establishments and employees are alleged to have sold alcoholic beverages to minors:

Business Name / Address / City	Name of Employee
CVS/Pharmacy #7020 1701 Fort Jesse Road Normal, IL	Babajide O. Osiyemi
Casey's 1725 P.J. Keller Highway Lexington, IL	Anthony P. Forman
BP 1740 P.J. Keller Highway Lexington, IL	Joseph Lijo

The Unlawful Delivery of Alcoholic Liquor to a Minor is a Class A Misdemeanor. ISP has compiled and submitted investigative reports to the McLean County State's Attorney's Office for their review and charging consideration.

The Illinois State Police commend establishments and their employees who demonstrate responsible alcohol sales practices by complying with Illinois law and refusing to sell alcoholic beverages to individuals under 21 years of age. Their diligence helps prevent underage alcohol consumption, reduces the risk of alcohol-impaired driving crashes and fatalities, and ultimately contributes to saving lives. This project is funded through the Illinois Department of Transportation (IDOT).

The public is reminded that all defendants are presumed innocent unless proven guilty in a court of law.
