DEPARTMENT OF STATE POLICE

Southwest Central 9-1-1 System :  
: Case No. 19-M-231  
Application for 9-1-1 :  
Modification Plan :

**ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR**

**WHEREAS**, the Southwest Central 9-1-1 System ETSB submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on March 15, 2019, seeking to opt out the Village of Indian Head Park;

**WHEREAS** the modification plan has been read and reviewed by the Department and the Administrator; and

**WHEREAS** the modification plan seeks to opt out the Village of Indian Head Park into the Cook County 9-1-1 System from the Southwest Central 9-1-1 System ETSB;

**WHEREAS** as it relates to "wireline" surcharge monies the Southwest Central Joint ETSB and the Cook County ETSB have entered into an IGA allowing wireline surcharge monies to be paid to Cook County and requiring Cook County to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

**WHEREAS** as it relates to "wireless" surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Indian Head Park disengaging with Southwest Central and consolidating with Cook County and specified that Cook County will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

**NOW THEREFORE**, the Administrator orders the following;

**IT IS HEREBY ORDERED** that the Southwest Central 9-1-1 System ETSB request for approval of its modification plan as follows:

Opting out the Village of Indian Head Park from the Southwest Central 9-1-1 System ETSB to the Cook County 9-1-1 System

pursuant to Section 15.4a of the Emergency Telephone System Act, 50 ILCS 750/15.4a, is hereby approved subject to the requirements of this Order.

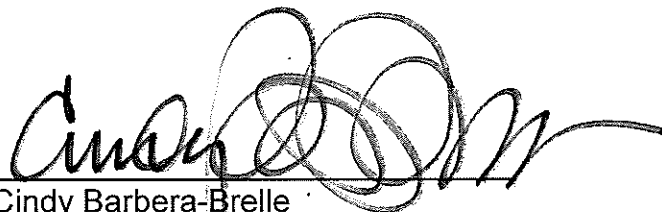

**IT IS FURTHER ORDERED** that the Southwest Central 9-1-1 System modification will be completed no later than April 30, 2019.

**IT IS FURTHER ORDERED** that Southwest Central 9-1-1 System's 9-1-1 System Service Provider will conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1 trunks required to serve the Southwest Central 9-1-1 System ETSB with the departure of Indian Head Park.

**IT IS FURTHER ORDERED** that the Indian Head Park wireline and wireless surcharge payments currently being distributed to the Southwest Central 9-1-1 System ETSB shall begin to be distributed to the Cook County 9-1-1 System as defined in 50 ILCS 750/30 beginning May 1, 2019.

**IT IS FURTHER ORDERED** that Cook County is responsible for the accounting and audited annual financial reporting for Indian Head Park's wireline and wireless surcharge monies.

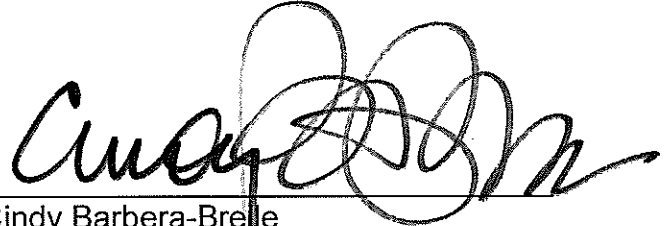

ENTERED: This 5<sup>th</sup> day of April 2019.
