Plan Narrative statement that explains which PSAP is closing, the date of closure and to which PSAP within their system those 9-1-1 calls will be rerouted.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	<p>This modification is a change to the original consolidation plan that was filed in 16-C-148. There were 4 PSAPS in the Peoria County 9-1-1 System. Peoria County closed the Chillicothe PSAP on January 26, 2017, and the Peoria Heights PSAP is tentatively scheduled to fold down on June 1, 2018. The consolidation plan was for 9-1-1 calls from Chillicothe and Peoria Heights to be rerouted to the Bartonville PSAP. The City of Peoria PSAP would also remain open. With this modification, the Chillicothe and Peoria Heights traffic will be rerouted to the City of Peoria PSAP instead. The Bartonville PSAP will remain as a stand-alone PSAP.</p> <p>The Bartonville PSAP and the City of Peoria PSAP will back each other up.</p>
Revised Network Diagram	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	

Conclusions:

This modification is a routing change and Peoria County has still met the requirement of reducing its number of PSAPs by 50% or to two PSAPs.
