Currently the Village of Rosemont serves as the backup PSAP, but Rosemont is consolidating with Proviso-Leyden (Norcomm). Therefore, MCD is requesting to change its backup PSAP to the Proviso-Leyden PSAP which is Norcomm. One of the MCD's Starcom consoles currently located at Rosemont will be re-located to the Norcomm facility which will enable police communication between MCD and Norcomm. Currently MCD and Norcomm share the fire radio communications band. |
