DEPARTMENT OF STATE POLICE

CalComm Regional Joint ETSB :
: **Case No. 20-M-273**
Application for 9-1-1 :
Modification Plan :

ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR

WHEREAS, the CalComm Regional Joint ETSB submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on June 10, 2020, seeking to opt in the Village of Robbins;

WHEREAS the modification plan has been read and reviewed by the Department and the Administrator; and

WHEREAS the modification plan seeks to opt in the Village of Robbins into the CalComm Regional Joint 911 System;

WHEREAS as it relates to "wireless" surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Robbins disengaging with Cook County and consolidating with CalComm and specified that CalComm will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS Cook County and CalComm have entered into an IGA concerning the payment of 9-1-1 surcharge, the financial reporting and auditing of the funds, and other specifics concerning the addition of Robbins to the CalComm Regional Joint 911 System.

NOW THEREFORE, the Administrator orders the following;

IT IS HEREBY ORDERED that the CalComm Regional Joint ETSB's request for approval of its modification plan as follows:

Opting in the Village of Robbins from the Cook County 9-1-1 System to the CalComm Regional 9-1-1 System

pursuant to Title 83: Public Utilities Chapter IV: Department of State Police Part 1325 - Standards of Service Applicable to 9-1-1 Emergency Systems Section 205, is hereby approved subject to the requirements of this Order.

IT IS FURTHER ORDERED that the CalComm modification will be completed no later than August 31, 2020.

IT IS FURTHER ORDERED that CalComm's 9-1-1 System Service Provider will conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1 trunks required to serve the CalComm 9-1-1 System with the addition of Robbins.

IT IS FURTHER ORDERED that the CalComm 9-1-1 System will file with the Administrator a Wireless 9-1-1 Plan along with an updated Zip Code AGREEMENT that adds Robbins to their current Plan with an effective date no later than August 31, 2020.

IT IS FURTHER ORDERED that the Robbins surcharge payments currently being distributed to the Cook County 9-1-1 System shall begin to be distributed to the CalComm Regional 9-1-1 System as defined in 50 ILCS 750/30 beginning with the September 2020 remit period.
