Modification Plan			:	

ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR

WHEREAS the CalComm ETSB submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on May 29, 2026, seeking to opt out the City of Markham.

WHEREAS the modification plan has been read and reviewed by the 9-1-1 Bureau and the Administrator; and

WHEREAS the modification plan seeks to opt out the City of Markham from the CalComm ETSB and into the E-COM and SouthCom JETSB;

WHEREAS, Section 30 of the Emergency Telephone System Act (ETSA) directs the Illinois State Police Division of Statewide 9-1-1 to make monthly disbursements of surcharge funds to the appropriate 9-1-1 Authority currently receiving 9-1-1 calls, based on the primary place of use (PPU) for zip code wireless subscribers, for amounts received for wireline and wireless surcharge. Accordingly, the Intergovernmental Agreement (IGA) specifies the boundary change resulting from the disengagement of the City of Markham from the CalComm ETSB, and its joining with the E-COM and SouthCom JETSB. The IGA further provides that the E-COM and SouthCom JETSB will be responsible for accounting for such funds in its audited annual financial reports, as required under Section 40 of the ETSA.

WHEREAS the CalComm ETSB and the E-COM and SouthCom JETSB have entered into an IGA concerning the payment of 9-1-1 surcharge, the financial reporting and auditing of the funds, and other specifics concerning the addition of the City of Markham to the E-COM and SouthCom JETSB.

NOW THEREFORE, the Administrator orders the following;

IT IS HEREBY ORDERED that the CalComm ETSB's request for approval of its modification plan as follows:

Opting out of the City of Markham from the CalComm ETSB into the E-COM and SouthCom JETSB pursuant to Title 83: Public Utilities Chapter IV: Illinois State Police Part 1325 - Standards of Service Applicable to 9-1-1 Emergency Systems Section 205, is hereby approved subject to the requirements of this Order.

IT IS FURTHER ORDERED that the CalComm ETSB modification and the direct delivery of 9-1-1 calls within the City of Markham to the E-COM and SouthCom JETSB will be completed no later than November 1, 2026.

IT IS FURTHER ORDERED that the City of Markham surcharge remittances currently being remitted to the CalComm ETSB shall begin to be distributed to the E-COM and SouthCom JETSB as defined in 50 ILCS 750/30 beginning with the November 2026 remit period.

ENTERED: This 10th day of July 2026.
