Northwest Central 9-1-1 System :  
: Case No. 22-M-298  
Application for 9-1-1 :  
Modification Plan :

ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR

**WHEREAS** the Northwest Central 9-1-1 System submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on February 24, 2022, seeking to opt in the Village of Barrington;

**WHEREAS** the modification plan has been read and reviewed by the Department and the Administrator; and

**WHEREAS** the modification plan seeks to opt in the Village of Barrington into the Northwest Central 9-1-1 System from the CenCom 9-1-1 System;

**WHEREAS** as it relates to “wireline” surcharge monies the CenCom 9-1-1 System and the Northwest Central 9-1-1 System have entered into an IGA allowing wireline surcharge monies to be paid to the Northwest Central 9-1-1 System and requiring the Northwest Central 9-1-1 System to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

**WHEREAS** as it relates to “wireless” surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Barrington disengaging with the CenCom 9-1-1 System and consolidating with the Northwest Central 9-1-1 System and specified that the Northwest Central 9-1-1 System will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

**WHEREAS** the Northwest Central 9-1-1 System and the CenCom 9-1-1 System have entered into an IGA concerning the payment of 9-1-1 surcharge, the financial reporting and auditing of the funds, and other specifics concerning the addition of the Village of Barrington to the Northwest Central 9-1-1 System.

**NOW THEREFORE**, the Administrator orders the following;

**IT IS HEREBY ORDERED** that the Northwest Central 9-1-1 System’s request for approval of its modification plan as follows:

Emergency Systems Section 205, is hereby approved subject to the requirements of this Order.

**IT IS FURTHER ORDERED** that the Northwest Central 9-1-1 System modification will be completed no later than May 1, 2022.

**IT IS FURTHER ORDERED** that Northwest Central 9-1-1 System's 9-1-1 System Service Provider will conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1 trunks required to serve the Northwest Central 9-1-1 System with the addition of Barrington.

**IT IS FURTHER ORDERED** that the Northwest Central 9-1-1 System will file with the Administrator a Wireless 9-1-1 Plan that adds Barrington to their current Plan with an effective date no later than June 1, 2022.

**IT IS FURTHER ORDERED** that the Barrington surcharge payments currently being distributed to the CenCom 9-1-1 System shall begin to be distributed to the Northwest Central 9-1-1 System as defined in 50 ILCS 750/30 beginning with the distribution of the May 2022 surcharge funds.

ENTERED: This 23<sup>rd</sup> day of March 2022.
