Modification Plan	:	

ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR

WHEREAS, the Lyons Township Area Communications Center submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on May 14, 2020, seeking to opt in the City of Countryside;

WHEREAS the modification plan has been read and reviewed by the Department and the Administrator; and

WHEREAS the modification plan seeks to opt in the City of Countryside into the Lyons Township Area Communications Center;

WHEREAS as it relates to "wireline" surcharge monies the Southwest Central 9-1-1 System and the Lyons Township Area Communications Center have entered into an IGA allowing wireline surcharge monies to be paid to Lyons Township and requiring Lyons Township to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS as it relates to "wireless" surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Countryside disengaging with Southwest Central and consolidating with Lyons Township and specified that Lyons Township will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS Lyons Township and Southwest Central have entered into an IGA concerning the payment of 9-1-1 surcharge, the financial reporting and auditing of the funds, and other specifics concerning the addition of Countryside to the Lyons Township Area Communications Center.

NOW THEREFORE, the Administrator orders the following;

IT IS HEREBY ORDERED that the Lyons Township Area Communications Center's request for approval of its modification plan as follows:

Opting in the City of Countryside from the Southwest Central 9-1-1 System to the Lyons Township Area Communication Center pursuant to Title 83: Public Utilities

Chapter IV: Department of State Police Part 1325 - Standards of Service
Applicable to 9-1-1 Emergency Systems Section 205, is hereby approved subject
to the requirements of this Order.

IT IS FURTHER ORDERED that the Lyons Township modification will be completed no
later than August 31, 2020.

IT IS FURTHER ORDERED that Lyons Township's 9-1-1 System Service Provider will
conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1
trunks required to serve the Lyons Township 9-1-1 System with the addition of
Countryside.

IT IS FURTHER ORDERED that the Lyons Township 9-1-1 System will file with the
Administrator a Wireless 9-1-1 Plan that adds Countryside to their current Plan and
includes updated Zip Code Sharing Agreements, if applicable, with an effective date no
later than August 31, 2020.

IT IS FURTHER ORDERED that the Countryside surcharge payments currently being
distributed to the Southwest Central 9-1-1 System shall begin to be distributed to the
Lyons Township 9-1-1 System as defined in 50 ILCS 750/30 beginning with the
