DEPARTMENT OF STATE POLICE

Cook County ETSB :
: **Case No. 19-M-252**
Application for 9-1-1 :
Modification Plan :

ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR

WHEREAS, the Cook County ETSB submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on August 27, 2019, seeking to opt in the City of Hometown;

WHEREAS the modification plan has been read and reviewed by the Department and the Administrator; and

WHEREAS the modification plan seeks to opt in the City of Hometown into the Cook County 9-1-1 System;

WHEREAS as it relates to “wireline” surcharge monies the Des Plaines Valley ETSB and the Cook County ETSB have entered into an IGA allowing wireline surcharge monies to be paid to Cook County and requiring Cook County to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS as it relates to “wireless” surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Hometown disengaging with Des Plaines Valley and consolidating with Cook County and specified that Cook County will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS Cook County and Des Plaines Valley have entered into an IGA concerning the payment of 9-1-1 surcharge, the financial reporting and auditing of the funds, and other specifics concerning the addition of Hometown to the Cook County ETSB.

NOW THEREFORE, the Administrator orders the following;

IT IS HEREBY ORDERED that the Cook County ETSB’s request for approval of its modification plan as follows:

Opting in the City of Hometown from the Des Plaines Valley 9-1-1 System to the Cook County 9-1-1 System

pursuant to Title 83: Public Utilities Chapter IV: Department of State Police Part 1325 - Standards of Service Applicable to 9-1-1 Emergency Systems Section 205, is hereby approved subject to the requirements of this Order.

IT IS FURTHER ORDERED that the Cook County modification will be completed no later than October 31, 2019.

IT IS FURTHER ORDERED that Cook County's 9-1-1 System Service Provider will conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1 trunks required to serve the Cook County 9-1-1 System with the addition of Hometown.

IT IS FURTHER ORDERED that the Cook County 9-1-1 System will file with the Administrator a Wireless 9-1-1 Plan that adds Hometown to their current Plan with an effective date no later than October 31, 2019.

IT IS FURTHER ORDERED that the Hometown surcharge payments currently being distributed to the Des Plaines Valley 9-1-1 System shall begin to be distributed to the Cook County 9-1-1 System as defined in 50 ILCS 750/30 beginning with the November 2019 remit period.

ENTERED: This 25th day of September 2019.
