**Conclusions:**

Under 50 ILCS 15.4a(a)(2), in any county with a population of at least 250,000 that has more than one Emergency Telephone System Board, Joint Emergency Telephone System Board, or qualified governmental entity, any 9-1-1 Authority serving a population of less than 25,000 shall be consolidated such that no 9-1-1 Authority in the county serves a population of less than 25,000. The 2017 US Vintage Population for the Village of Stickney is approximately 6,694 so the Village of Stickney is required to consolidate. The consolidation with the town of Cicero which currently serves a population of 85,552 will satisfy this requirement.

The Cicero/Stickney Consolidation Plan which creates the Consolidated Emergency Response Center of Cook County Joint ETSB meets the requirements for a consolidation plan as prescribed by Section 1324.200(c) of Illinois Admin. Code Part 1324.200 – Consolidation of 9-1-1 Emergency Systems.
