Application for 9-1-1	:	
Modification Plan	:	

ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR

WHEREAS, the Southwest Central 9-1-1 System submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on May 14, 2020, seeking to opt out the City of Countryside;

WHEREAS the modification plan has been read and reviewed by the Department and the Administrator; and

WHEREAS the modification plan seeks to opt out the City of Countryside into the Lyons Township Area Communications Center from the Southwest Central 9-1-1 System;

WHEREAS as it relates to "wireline" surcharge monies the Southwest Central 9-1-1 System and the Lyons Township Area Communications Center have entered into an IGA allowing wireline surcharge monies to be paid to Cook County and requiring Cook County to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS as it relates to "wireless" surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Countryside disengaging with Southwest Central and consolidating with Cook County and specified that Cook County will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

NOW THEREFORE, the Administrator orders the following;

IT IS HEREBY ORDERED that the Southwest Central 9-1-1 System request for approval of its modification plan as follows:

Opting out the City of Countryside from the Southwest Central 9-1-1 System to the Lyons Township Area Communications Center.

pursuant to Title 83: Public Utilities Chapter IV: Department of State Police Part 1325 - Standards of Service Applicable to 9-1-1 Emergency Systems Section 205, is hereby approved subject to the requirements of this Order.

IT IS FURTHER ORDERED that the Southwest Central 9-1-1 System modification will be completed no later than August 31, 2020.

IT IS FURTHER ORDERED that Southwest Central 9-1-1 System's 9-1-1 Service Provider will conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1 trunks required to serve the Southwest Central 9-1-1 System with the departure of Countryside.

IT IS FURTHER ORDERED that the Countryside wireline and wireless surcharge payments currently being distributed to the Southwest Central 9-1-1 System shall begin to be distributed to the Lyons Township Area Communications Center as defined in 50 ILCS 750/30 beginning with the September 2020 remit period.

IT IS FURTHER ORDERED that Cook County is responsible for the accounting and audited annual financial reporting for Countryside's wireline and wireless surcharge monies.

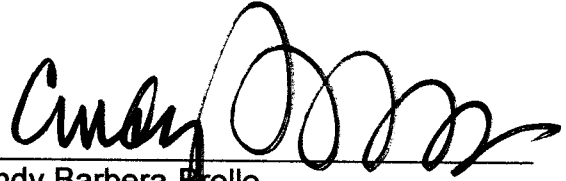

ENTERED: This 26th day of June 2020.
