

System Name: Williamson County 911
Case # 17-C-195

Department Review of Consolidation
(Consolidation of PSAPs within an ETSB)

Requirement	Information Included	Staff Comment
9-1-1 General Information	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	
Verification	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	
Plan Narrative statement that explains which PSAP is closing, the date of closure and to which PSAP within their system those 9-1-1 calls will be rerouted.	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	There are currently 3 PSAPS in the Williamson County 9-1-1 System: Herrin Police Dept., Marion Police Dept. and the Williamson County Sheriff. Williamson County 911 will close the Williamson County Sheriff's PSAP and relocate its 911 calls between the Herrin Police Dept. PSAP and the Marion Police Dept. PSAP by late August 2017. The Herrin Police Dept. PSAP will receive approximately 70% of the calls and Marion Police Dept. PSAP will receive approximately 30%. The two remaining PSAPs will back each other up.
Revised Network Diagram	Yes <input checked="" type="checkbox"/> No <input type="checkbox"/>	

Conclusions:

Williamson County has met the requirement of reducing its number of PSAPs by 50% or to two PSAPs.
