<b>Des Plaines Valley ETSB</b>	:	
	:	<b>Case No. 19-M-253</b>
<b>Application for 9-1-1</b>	:	
<b>Modification Plan</b>	:	

**ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR**

**WHEREAS**, the Des Plaines Valley ETSB submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on August 27, 2019, seeking to opt out the City of Hometown;

**WHEREAS** the modification plan has been read and reviewed by the Department and the Administrator; and

**WHEREAS** the modification plan seeks to opt out the City of Hometown into the Cook County 9-1-1 System from the Des Plaines Valley 9-1-1 System;

**WHEREAS** as it relates to "wireline" surcharge monies the Des Plaines Valley ETSB and the Cook County ETSB have entered into an IGA allowing wireline surcharge monies to be paid to Cook County and requiring Cook County to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

**WHEREAS** as it relates to "wireless" surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Hometown disengaging with Des Plaines Valley and consolidating with Cook County and specified that Cook County will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

**NOW THEREFORE**, the Administrator orders the following;

**IT IS HEREBY ORDERED** that the Des Plaines Valley ETSB request for approval of its modification plan as follows:

Opting out the City of Hometown from the Des Plaines Valley 9-1-1 System to the Cook County 9-1-1 System

pursuant to Title 83: Public Utilities Chapter IV: Department of State Police Part 1325 - Standards of Service Applicable to 9-1-1 Emergency Systems Section 205, is hereby approved subject to the requirements of this Order.

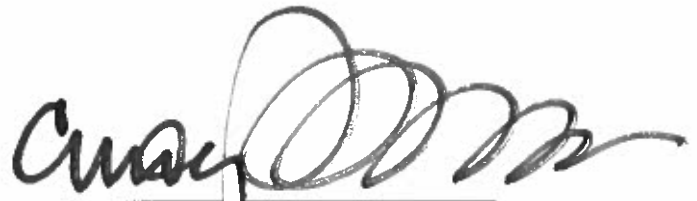

**IT IS FURTHER ORDERED** that the Des Plaines Valley ETSB modification will be completed no later than October 31, 2019.

**IT IS FURTHER ORDERED** that Des Plaines Valley's 9-1-1 System Service Provider will conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1 trunks required to serve the Des Plaines Valley 9-1-1 System with the departure of Hometown.

**IT IS FURTHER ORDERED** that the Hometown wireline and wireless surcharge payments currently being distributed to the Des Plaines Valley ETSB shall begin to be distributed to the Cook County ETSB as defined in 50 ILCS 750/30 beginning the November 2019 remit period.

**IT IS FURTHER ORDERED** that Cook County is responsible for the accounting and audited annual financial reporting for Hometown's wireline and wireless surcharge monies.
