DEPARTMENT OF STATE POLICE

Proviso Leyden ETSB :
Application for 9-1-1 : Case No. 21-M-286
Modification Plan :

ORDER OF THE STATEWIDE 9-1-1 ADMINISTRATOR

WHEREAS the Proviso Leyden ETSB submitted a modification plan with the Office of the Statewide 9-1-1 Administrator on April 1, 2021, seeking to opt in the Village of Elmwood Park;

WHEREAS the modification plan has been read and reviewed by the Department and the Administrator; and

WHEREAS the modification plan seeks to opt in the Village of Elmwood Park into the Proviso Leyden 9-1-1 System from the West Suburban Consolidated Dispatch Center;

WHEREAS as it relates to “wireline” surcharge monies the West Suburban Consolidated Dispatch Center and the Proviso Leyden ETSB have entered into an IGA allowing wireline surcharge monies to be paid to Proviso Leyden and requiring Proviso Leyden to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS as it relates to “wireless” surcharge monies, Section 30(b)(1)(D) and 30(2)(E) of the ETSA directs the Department to make monthly grants to the appropriate 9-1-1 Authority currently taking wireless 9-1-1 based upon zip code billing of wireless subscribers. Accordingly, the IGA specified the boundary change resulting from Elmwood Park disengaging with the West Suburban Consolidated Dispatch Center and consolidating with Proviso Leyden and specified that Proviso Leyden will then be responsible to account for such monies in its audited annual financial reporting as required under Section 40 of the ETSA.

WHEREAS Proviso Leyden and West Suburban Consolidated Dispatch Center have entered into an IGA concerning the payment of 9-1-1 surcharge, the financial reporting and auditing of the funds, and other specifics concerning the addition of the Village of Elmwood Park to the Proviso Leyden 9-1-1 System.

NOW THEREFORE, the Administrator orders the following;

IT IS HEREBY ORDERED that the Proviso Leyden ETSB’s request for approval of its modification plan as follows:

Opting in the Village of Elmwood Park from the West Suburban Consolidated Dispatch Center to the Proviso Leyden 9-1-1 System pursuant to Title 83: Public Utilities Chapter IV: Department of State Police Part 1325 - Standards of Service

Applicable to 9-1-1 Emergency Systems Section 205, is hereby approved subject to the requirements of this Order.

IT IS FURTHER ORDERED that the Proviso Leyden modification will be completed no later than June 1, 2021.

IT IS FURTHER ORDERED that Proviso Leyden's 9-1-1 System Service Provider will conduct a P.01 Study and if necessary, a Traffic Study to determine the number of 9-1-1 trunks required to serve the Proviso Leyden 9-1-1 System with the addition of Elmwood Park.

IT IS FURTHER ORDERED that the Proviso Leyden 9-1-1 System will file with the Administrator a Wireless 9-1-1 Plan that adds Elmwood Park to their current Plan with an effective date no later than June 1, 2021.

IT IS FURTHER ORDERED that the Elmwood Park surcharge payments currently being distributed to the West Suburban Consolidated Dispatch Center shall begin to be distributed to the Proviso Leyden 9-1-1 System as defined in 50 ILCS 750/30 beginning with the distribution of the June 2021 surcharge funds.

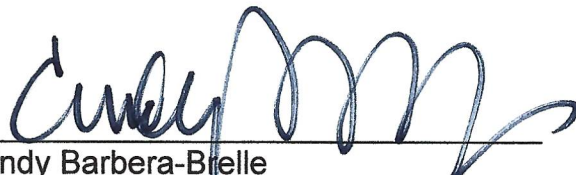

ENTERED: This 3rd day of May 2021.
