

LAW ENFORCEMENT EMPLOYEES

V

Law Enforcement Employment Information

Law enforcement employment presented in this section is comprised of the number of part- and full-time sworn officers, full-time civilian employees, and auxiliary officers employed in Illinois as of October 31, 2015. The part- and full-time sworn officer category includes the number of sworn personnel with full arrest powers (includes chiefs, sheriffs, commissioners, superintendents, etc.) who are paid by their agency or federal grant funds. The full-time civilian category includes civilian employees (clerks, stenographers, telecommunicators, mechanics, civilian jail personnel, etc.) who are paid by their agency or federal grant funds. The auxiliary officer category includes those officers, such as an auxiliary or reserve officer, who are subject to report in an emergency situation, and who are not paid by their agency or federal grant funds. Auxiliary officers paid by their agency or federal grant funds are accounted for under the part-time sworn officer category.

The employment rate for law enforcement personnel is calculated as follows:

$$\frac{\text{Number of Employees}}{\text{Jurisdictional Population}} \times 1,000 = \text{Employment Rate}$$

EXAMPLE:

A department with 60 employees and a population of 51,000 has an employment rate of 1.2 per 1,000 inhabitants:

$$\frac{60}{51,000} \times 1,000 = 1.2 \text{ Rate per 1,000 Inhabitants}$$

Law enforcement employment rates should not be directly compared to index crimes, non-index offenses, or the service-related activities performed by law enforcement officers. Service-related activities can account for a significant percentage of an officers' workload on any given day, and usually remain unpublished. Each community should consider all the factors related to the causes of crime and determine the role of the law enforcement department relative to crime and to required services.

2015 Law Enforcement Employment Information

Statewide

The statewide total number of law enforcement personnel in Illinois for 2015 is 24,838. The 14,917 part- and full-time sworn officers in 2015 account for 60.1 percent of the entire state of Illinois law enforcement community's work force. The 2015 employment rate for sworn employees of the entire state of Illinois law enforcement work force is 5.6 per 1,000 inhabitants. The 9,350 civilian employees comprise 37.6 percent of the entire state of Illinois law enforcement community's work force, with an employment rate of 3.5 per 1,000 inhabitants. The 571 auxiliary officers (officers not on active duty but subject to call in an emergency situation) in 2015 account for 1.7 percent of the entire state of Illinois law enforcement community's work force, with an employment rate of 0.2 per 1,000 inhabitants.

Police Departments

Police departments employed 10,794 law enforcement employees statewide in 2015 accounting for 43.5 percent of the state law enforcement employee total. The 8,676 part- and full-time sworn officers in 2015 account for 80.4 percent of the police department work force. The 2015 employment rate for sworn employees of police departments is 5.2 per 1,000 inhabitants. The 1,758 civilian employees comprise 16.3 percent of the police department work force, with an employment rate of 1.1 per 1,000 inhabitants. The 360 auxiliary officers in 2015 comprise 3.3 percent of the police department work force, with an employment rate of 0.2 per 1,000 inhabitants.

Sheriffs' Offices

Sheriffs' offices employed 10,226 law enforcement employees statewide in 2015 accounting for 41.2 percent of the state law enforcement employee total. The 3,787 part- and full-time sworn officers in 2015 account for 37.0 percent of the sheriffs' offices work force. The 2015 employment rate for sworn employees of sheriffs' offices is 3.6 per 1,000 inhabitants. The 6,229 civilian employees comprise 60.9 percent of the sheriffs' offices work force, with an employment rate of 5.8 per 1,000 inhabitants. The 210 auxiliary officers in 2015 comprise 2.1 percent of the sheriffs' offices work force, with an employment rate of 0.2 per 1,000 inhabitants.

Miscellaneous Agencies

Miscellaneous agencies employed 3,818 law enforcement employees statewide in 2015 accounting for 15.3 percent of the state law enforcement employee total. The 2,454 part- and full-time sworn officers in 2015 account for 64.3 percent of the miscellaneous agencies work force. These agencies include airports, colleges and universities, fire department/arson investigations, forest preserves, hospitals, park districts, and railroads. Since miscellaneous agencies do not have a population, employment rates cannot be calculated. The 1,363 civilian employees comprise 35.7 percent of the miscellaneous agencies work force. There was one auxiliary officer in 2015.

NOTE: The number of law enforcement employees reported for 2015 is significantly lower than the previous year. The Chicago Police Department, who reported a total of 12,902 employees in 2014, did not provide employment statistics for 2015.
