

**SECTION III -  
CRIME INDEX  
ARREST DATA**

## **Crime Index Arrest Data**

The following data presented in this section reflect crime index arrests. These arrests include the categories of Murder, Criminal Sexual Assault, Robbery, Aggravated Assault, Aggravated Battery and Ritual Mutilation, Burglary, Theft (includes Burglary from Motor Vehicle), Motor Vehicle Theft and Arson. Attempted Murder is included under the Aggravated Assault/Battery category. These figures represent the total number of arrests.

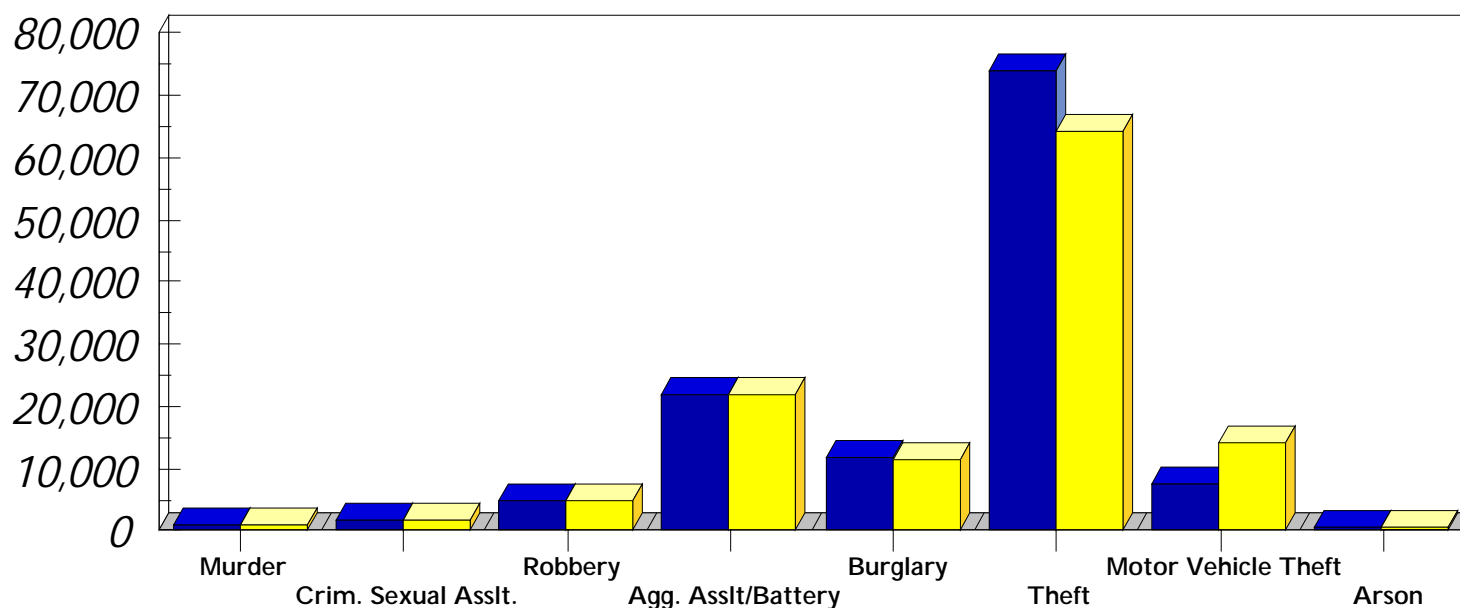

This section utilizes the most recent complete census population statistics available from the U.S. Bureau of the Census. The 1998 and 1999 arrest rates for this section were calculated using the 1998 estimated population statistics which were obtained from the U.S. Bureau of the Census, released 1999. Population figures were also obtained from a special census received from the U.S. Bureau of the Census or from the reporting agency.

It should be noted that each county total reflects crime data reported by police departments, sheriffs' offices, colleges and universities that are located within each county. Since the Secretary of State's Office has districts that have multi-county jurisdiction, the Secretary of State's Office totals are not reflected in the county total but are reflected in the state total.

The Crime Index Arrest Rate Comparison State Total is an aggregate total of the sheriffs' offices, police departments, colleges, universities and the Secretary of State's Office.

Due to the volume of data reported, only state and county totals are published in this section.

## State Totals Crime Index Arrest Comparison - 1999/1998
