- III.A.2. Officers who do not have access to a mobile data computer (MDC) or functioning TraCS software, at the time of the report, will complete a hard copy ISP Written Warning form (ISP 5-53) and enter the report into TraCS when they return to their district/work unit.
- III.A.3. The original (Hard Copy) ISP-5-053 will be forwarded to the Division of Administration (DOA), Records Management Section, where it will be archived, pursuant to the State Records Act.
- III.A.4. Upon issuance of the ISP Written Warning form book (ISP 5-053), the Receipt for Ticket Books, form ISP 5-042, will be completed and signed by the receiving officer or Truck Weight Inspector (T.W.I.) each time a new Written Warning form book is issued.
 - III.A.4.a. Each District or work unit, which issues the ISP Written Warning book ISP 5-053 will scan and email the signed ISP 5-042 form to the Records Management Section (Patrol_Records_Unit@isp.state.il.us) where it will be logged into the Ticket Book Accountability Database.
