

ILLINOIS STATE POLICE DIRECTIVE OPS-015, SEARCH AND RESCUE MISSIONS

RESCINDS: OPS-015, 2011-078, revised 12-05-2011.	REVISED: 06-29-2015 2015-055
RELATED DOCUMENTS: OPS-014, OPS-032, OPS-034	RELATED CALEA STANDARDS: 41.1.4, 41.2.5, 41.2.6, 46.2.5

I. POLICY

The Illinois State Police (ISP) will:

- I.A. Establish procedures for conducting search and rescue missions in coordination with other law enforcement and emergency services agencies.
- I.B. Assist law enforcement agencies throughout the state with requests for Departmental services and resources in search and rescue missions, as appropriate to the situation.

II. DEFINITIONS

- II.A. Canine Team - a trained law enforcement canine and handler, augmented by at least one law enforcement officer acting as a security element. (See ISP directive OPS-034, "Canine.")
- II.B. Illinois America's Missing: Broadcast Emergency Response (AMBER) Alert Notification Plan - a voluntary partnership among law enforcement agencies, Illinois broadcasters, and the National Weather Service to activate an urgent bulletin in the most serious child abduction cases. (See ISP directive OPS-014, "Missing Person Response," for further information on using the Illinois AMBER Alert Notification Plan.)
- II.C. Incident Command System - an organized system of roles, responsibilities, and standard operating procedures used to manage and direct emergency operations.
- II.D. ISP Aircraft - department fixed-wing aircraft, piloted by an ISP pilot, which may be equipped with capabilities such as Forward Looking Infrared (FLIR) and/or Nightsun, to enhance the effectiveness of the mission (see ISP directive OPS-032, "Aircraft Operations").
- II.E. Search and Rescue - a coordinated effort to locate a person(s) whose location is unknown, and the finding of whom is necessary to the continued well-being of said person and/or the public. Such incidents may include, but are not limited to:
 - II.E.1. Escaped prisoners
 - II.E.2. Fleeing suspects
 - II.E.3. Missing persons whose welfare are threatened by factors such as:
 - II.E.3.a. Age
 - II.E.3.b. Inclement weather
 - II.E.3.c. Medical emergencies
 - II.E.3.d. Mental or physical disabilities
 - II.E.3.e. Terrain or suspected location of missing person
- II.F. Special Weapons and Tactics (SWAT) Team - a contingent of ISP officers with enhanced tactical capabilities and equipment, which may be used to augment the mission through the use of land navigation skills, thermal imaging, night vision, etc.

III. PROCEDURES

For procedures on handling a missing person report, refer to ISP directive OPS-014, "Missing Person Response."

III.A. Command and Control

III.A.1. Initial requests for assistance will be forwarded to the appropriate District for assessment by a command officer with consideration given to:

III.A.1.a. Impact on public or individual safety.

III.A.1.b. Availability of ISP resources (see Addendum 1).

III.A.1.c. Availability and capability of local law enforcement and relevant emergency services entities.

III.A.2. If ISP is the lead agency, or is requested to become the lead agency, the District Commander will designate an Incident Commander (IC) to proceed to the scene, coordinate response, and determine what resources are needed for a quick and safe resolution to the situation.

III.A.3. Upon assuming command for the incident, the IC will:

III.A.3.a. Identify and staff inner and/or outer perimeters if necessary/applicable.

III.A.3.b. Implement the Incident Command System and establish a staging area for responding units.

III.A.3.c. Implement the appropriate search method, as determined by the type of mission.

III.A.3.d. Determine the resource needs and request appropriate assets, deploying them in consultation with unit commanders.

III.A.3.e. Ensure thorough documentation of the incident through the assignment of an Incident Scribe/Historian.

III.A.3.f. Ensure appropriate follow-up upon incident resolution to include transfer of incident responsibility to appropriate jurisdiction for necessary action (i.e. investigative action, etc.). The IC will also be responsible for completion of an incident after-action critique and report that will be reviewed at the District level and forwarded to the respective Region Commander.

III.A.3.g. Secure communications.

III.B. Discontinuation of ISP Assistance

III.B.1. The IC will consult with the District and Region Commanders before making a recommendation to discontinue ISP assistance on the incident.

III.B.2. When acting in assistance to another agency, the District Commander will consult with the primary agency before making a decision to discontinue special efforts in the mission.

III.B.3. Other Divisions will notify the District Commander when they discontinue or suspend any special efforts on the incident.
