IV.A.2. Supervisors will use the Separating Employee Reference List as a guide to ensure all required tasks are accomplished for their separating code/sworn employee. This list and all retirement documents should be retained in the separating employee's personnel file at Public Safety Shared Services Center (PSSSC).

IV.A.3. All sworn employees must retire/resign prior to their 60th birthday.

IV.A.4. Personnel resigning/retiring from the Department will be requested to sign an Officer Action Request (OAR), form ISP 2-094, or a Personnel Action Request (PAR), form ISP 2-039 (these forms are available in the ISP Document Library at <http://maphome/documentlibrary/>).

IV.A.5. Once an employee's resignation OAR/PAR is accepted and signed by the appropriate commander, the resignation will not be revoked unless the employee submits a written request to revoke and the Director approves the revocation.

IV.B. Determining good standing for retiring/resigning officers

IV.B.1. The purpose of identifying the status of good standing for sworn officers is to determine:

IV.B.1.a. Eligibility for carrying a concealed weapon in accordance with 18 USC 926(C)

IV.B.1.b. Eligibility to purchase their service weapon upon retirement or resignation in accordance with ISP Directive ORD-004, "Employee's Purchase of Service Pistol Pending Separation/Retirement"

IV.B.1.c. Status of response to reference inquiries

NOTE: This should be done no earlier than 60 days prior to separation date.

IV.B.2. The Department will deem officers retiring or resigning from employment to be in good standing with the Department if:

IV.B.2.a. The officer possessed a valid Firearm Owner's Identification (FOID) Card upon the effective date of their retiring or resigning, and upon review the Department determines that no grounds exist under the law in effect at the time of the retirement or resignation to revoke or seize such card.

NOTE: Pursuant to 18 USC 926 (C) that to be eligible to carry a concealed weapon under the act an officer must have served as a law enforcement officer for an aggregate of ten years or more in addition to their status as retiring or resigning in good standing with the Department. If an officer does not wish to carry a concealed weapon, as allowed under 18 USC 926 (C), or purchase their service weapon, the possession of a FOID card is not required to be found in good standing as long as all other requirements are met.

IV.B.2.b. The officer has met all of the requirements in ISP Directives EQP-011, "Stars and Identification Cards".

IV.B.2.c. The retirement/resignation was not the result of a finding of mental instability. If the officer retires or resigns from employment pending the results of a psychological fitness for duty evaluation, the good standing determination will be held until the outcome of the evaluation is available.

IV.B.2.d. The retirement/resignation was not submitted nor effective while the officer was under investigation by any law enforcement agency, the Department, or had pending charge(s) before any court or administrative body (for example, the Merit Board) for an alleged violation of policy which could result in the officer's termination or criminal offense. If the criminal offense is not a felony or the officer was not aware of the investigation or charge(s) at the time of the officer's retirement or resignation, the good standing determination will be held until the outcome of the pending matter.

IV.B.2.e. The retirement/resignation was not the result of a settlement agreement of any such matter, pursuant to which the officer agrees to resign unless the Department agrees the employee may resign in good standing.

IV.B.3. The Division of Internal Investigation (DII), the ISP Equal Employment Opportunity (EEO) Office, and the Medical Review Board Coordinator will respond to inquiries regarding completion of the Code/Sworn Department Separation Checklist (1-264) as to:

- IV.B.3.a.1) Whether there is a pending investigation or charge(s) for an alleged criminal offense or violation of policy which could result in their termination.

- IV.B.3.a.3) Whether the retirement/resignation was the result of a finding of mental instability. If such an evaluation is pending, the results of the good standing determination will be held until the outcome of the evaluation is available.
